Principal's Message

Dear Parents and Community Members,

I would like to thank the staff, students, and school community for welcoming me as Principal until the end of the term. I have met many amazing families, visited students in classes daily, listened to Pre-primary students read, joined the very efficient P&C-organised running club on Wednesday and had many students show and read to me their excellent writing.

It has been fantastic to be part of a school that upholds, respect and care for one another and has high-quality teaching and expectations. I look forward to the next two weeks as we come to the end of term two.

Cross-Country

Tomorrow we will have the cross-country events on the oval starting at 9 am. Please refer to class communications regarding the order of events. We are hopeful that the rain will clear in the morning. Parents and family members are welcome to attend. The space near the new undercover area will be available for spectators.

I would like to acknowledge Mrs Karen Holmes for her outstanding organisation skills and for preparing the students for the cross-country event. We appreciate all your hard work and the extra time you put into such events. There has been much excitement and goal-setting amongst the students leading up to Friday. Good luck to all students!

P&C

Parents are welcome to join the P&C in the school staffroom or through the Zoom link on Monday (19 June) evening at 7 pm. (please contact Miyanna Stretch via the parents Facebook page for the zoom link) Some key areas that will be discussed are future fundraising and the 50th Anniversary. I hope to see you there!

Morning activities with our Principal

Students are participating in activities with our Principal before school in our undercover area. UNO cards and Rubik's cubes are being offered to keep students entertained on these cold mornings. One student in particular (Jackson pictured) has mastered the Rubik's cube completing the challenging puzzle within 39 seconds. Well done Jackson.

Procedure Writing in Room 14

Students have been producing fantastic work in Room 14. Frankie pictured received a Principal Award for her great work, writing a procedure on how to make a Giraffe puppet.

Running Club

Allesandra out and about participating in our Wednesday running club with Mrs Regan and Mrs Arnatt from the Language Development Centre.

Many thanks to our wonderful P&C and parent volunteers who make this possible every week.

All students and parents are welcome to attend from 8am Wednesdays, weather permitting.
